Special Purpose Position Role Descriptions

**Fundraising Coordinator(s) (Currently Non Functioning)**

The role of Fundraising Coordinator can be shared by two or more people. Fundraising is a significant part of the P&F and requires support from the school community. To assist in the planning and execution of fundraising activities, a Fundraising Sub-Committee is to be formed and managed by the Fundraising Coordinator(s). The Fundraising Coordinator(s) will plan and manage fundraising activities for the year. They are not responsible for undertaking all fundraising activities themselves. It is the role of the Fundraising Coordinator(s) to manage, delegate and oversee all activities through the Fundraising Sub-Committee.

It is good practice, though not compulsory, to prepare a fundraising plan at the beginning of the school year. Proposed dates for events should be assigned and communicated. The fundraising plan/events must be ratified by the P&F Executive prior to organising any events, to ensure that they meet P&F objectives and can be funded accordingly. The fundraising plan/events should also be discussed and agreed with the school Principal to ensure that dates do not clash with School or Parish events or are in contravention of School ethos and principles.

The Fundraising Sub Committee may meet at regular intervals to plan, organise and execute fundraising activities. Events may be advertised through the P&F newsletter, P&F Website and using signage displayed through the school grounds. The Fundraising Coordinator(s) are required to provide a Fundraising Report (update) at the P&F meetings.

**Grounds Coordinator**

The main function of the Grounds Coordinator is to plan, coordinate and execute Busy Bees for the school. The Grounds Coordinator is to liaise with the School Grounds Keeper and Principal when arranging Busy Bees to help establish school priorities. The Grounds Coordinator also organises any landscaping work, such as retaining walls etc. that may need to be built using P&F funds. All works must be ratified by the P&F Executive and School Principal.

**Newsletter Coordinator**

The Newsletter Coordinator is responsible for collating and editing (where required) all articles submitted for the weekly P&F Newsletter. It is not the responsibility of the Newsletter Coordinator to write all the articles for the P&F newsletter, but to produce the newsletter based on the articles/notices they receive.

The P&F newsletter is to be produced weekly. A draft copy of the newsletter is to be submitted to the President and school Principal for review by close of business Monday each week. The approved copy can then be sent to the Secretary and school administration for uploading onto the school & P&F website.

The Newsletter Coordinator may use photographs in the P&F newsletter, however where school children can be identified, clearance must be obtained from school administration for the image to be published.
