*Let all of us here at St Luke's
Strive to grow in faith and trust in God and each other.*

*Help us to follow the values and teachings of Christ
And our patron, St Luke.*

*May we, in our acceptance of one another,
Spread the joy of new life.*

About St Luke's

In 1986 the Catholic Education Office (CEO) approached the Principal and School Board of Liwara Catholic Primary School to provide classrooms and teaching staff for Year One and Year Two, for children from the new suburbs of Kingsley and Woodvale. This undertaking was given by Liwara and the 'future school' began operating in February 1987.

The CEO, in conjunction with the Archdiocese, purchased land for a proposed school. The original site for the school was a quarry and traces of this can still be seen in the topography of the land. The large tree outside the school office, which has been dated to being older than European settlement in Western Australia, was used to hold electrical wiring, which can still be seen on its west side.

In 1987 Archbishop Foley instituted the new parish of Kingsley/Woodvale and appointed Fr Nicholas McSweeney as Parish Priest. During 1988, members of the Interim School Board proposed Sister Mary O'Connor as Foundation Principal. St Luke's was the chosen name which was ratified by Archbishop Foley in December 1988.

By 1989 the buildings were ready to accommodate Pre-Primary to Year Three classes and teachers were appointed. The buildings were blessed and St Luke's officially opened on 2 April 1989.

Originally the Liturgies were celebrated in the gymnasium at Woodvale Senior High School. They were later held in the school library until April 1997 when the church was built.

Sister Mary O'Connor retired at the end of 2000 after a long and successful career in Catholic education. The library was named in her honour. The Arts Centre was named after the foundation staff member, Mrs Jenny Garswood, who sadly passed away from Motor Neurone Disease.

School Crest and Motto

Members of the School Board, assisted by Iris Rossen, met to decide on a Crest and Motto, and this was ratified by the Interim School Board in February 1989. The motto 'A people ever made new by the death and resurrection of Jesus and prepared to bring the Good News – at any cost – to the ends of the earth' is reflected in the crest taken from the Gospel of Luke. The arrows going out from the centre depict this mission as does the motto 'New People, New Life'.

In 2022, the school community was looking for a way to bring St Luke's into the future and connect the school with the parish and wider community. A new crest was designed that depicts the Gospel of St Luke, the steeple of the Woodvale parish and the circle of community being part of our Catholic identity. The motto of 'Learn, Love and Serve' reflects the values that each of us, in the St Luke's community, strive to achieve in the mission of Catholic education.

St Luke

'Patron Saint of artists, physicians, bachelors, surgeons, students and butchers'

Who was St Luke? Luke, the writer of the Gospel and the Acts of the Apostles, has been identified as 'Luke, the beloved physician'. It is believed that Luke was born a Greek and a Gentile. In our day, it would be easy to assume that someone who was a doctor was rich, but people have argued that Luke might have been born a slave. It was not uncommon for families to educate slaves in medicine so that they would have a resident family physician.

Luke is the loyal friend who stays with Paul when he is imprisoned in Rome. Luke's unique perspective on Jesus can be seen in the six miracles and eighteen parables not found in the other gospels. Luke's is the gospel of the poor and of social justice. He is the one who tells the story of Lazarus and the rich man who ignored him.

Luke also has a special connection with the women in Jesus' life, especially Mary. It is only in Luke's Gospel that we hear the story of the Annunciation, Mary's visit to Elizabeth including the Magnificat, the Presentation, and the story of Jesus' disappearance in Jerusalem. It is Luke that we have to thank for the Scriptural parts of the Hail Mary: 'Hail Mary full of grace' spoken at the Annunciation, and 'Blessed are you and blessed is the fruit of your womb Jesus', spoken by Mary's cousin Elizabeth.

Forgiveness and God's mercy to sinners is also of great importance to Luke. Only in Luke do we hear the story of the Prodigal Son welcomed back by the overjoyed father and the story of the forgiven woman disrupting the feast by washing Jesus' feet with her tears. Throughout Luke's Gospel, Jesus takes the side of the sinner who wants to return to God's mercy.

When Reading Luke's Gospel one gets an insight into the humanity of Luke ; one who loved the poor, who wanted the door to God's kingdom opened to all, who respected women, and saw hope in God's mercy for everyone. We ask that St Luke continues to watch over our community and that he helps us to share in the work of spreading the Good News to all people.

In Luke, the living hospitality of Jesus and his followers is striking. We hope that our own school, too, is a place of welcoming and acceptance for all people.

The Sisters of Mercy

Sr Mary O'Connor, the first principal, brought to St Luke's the principles of the Sisters of Mercy, whose order was founded by Catherine McAuley in Dublin, Ireland.

Catherine McAuley's original intention was simply 'to make some lasting effort for the relief of the suffering and instruction of the ignorant.' Practical and creative, she began an employment agency for young women, a commercial laundry, an adult education program, a school for the poor and a small shop to sell the handiwork of young women associated with her House of Mercy. Perhaps her greatest contribution to the church; ~~however,~~ is the spirituality that enlivened her mission of mercy – a fresh and fertile blending of the contemplative spirit and the compassionate heart (*taken from Praying with Catherine McAuley by H Burns and S Carney*).

The first Mercy foundation in Australia began in January, 1846, in Perth. The sisters, led by Ursula Frayne, came with a mission to minister to the 'poor Catholics' of the Swan River Colony and to the Aboriginal and Torres Strait Islander Peoples, who were described to them as being 'without the benefits of Christianity or European civilisation.'

These were the earliest religious women to set foot on the western shore of Australia. They were women going beyond the conventional spheres and they challenged the submissive gender roles society and church expected them to play.

Sisters of Mercy in Australia are best known for their work in education, welfare and health care. The Institute of the Sisters of Mercy of Australia, formed in 1981, was the first such fully nationalised body of Sisters of Mercy anywhere in the world.

Their vowed commitment to Christ is for life so that both young and old share in prayer, discernment and the support of each other in life and ministry. The institute of the Sisters of Mercy of Australia and Papua New Guinea was established on 12 December 2011.

Vision Statement

St Luke's Catholic Primary School is a vibrant and inclusive Catholic community where students are provided opportunities to grow and become unique individuals. The school proudly follows the example of St Luke, the patron saint of students, and his call to embrace people and life. In doing so we aspire to be a place that,

... challenges each child to learn, play, love and serve, to be the best version of themselves.

To bring about our Vision requires action, and this occurs through our Rainbow values. Our school motto Learn, Love and Serve was instituted in 2022.

Rainbow Values – Our Covenant

First articulated in 2004, these have been taken from the Gospel of St Luke. In this community, our actions and policies are guided by the seven principles outlined below. Since the most adequate word we have for God is 'Love', we acknowledge this as the Great Value from which these seven derive. We see these values as a spectrum – each one overlapping and contributing to the next like the colours of the rainbow. Just as a rainbow's colours are dispersed through a prism, these aspects of God's great love for us are most clearly seen through the prism of community. As a Christian community founded in his name, we draw inspiration from the writings of Luke the Evangelist, and we name these values as our own.

INCLUSIVENESS

'EVERYONE BELONGS'

'When you give a feast, invite the poor, the crippled, the lame, the blind; and you will be blessed, because they are not able to pay you back.' **(Lk 14: 13,14 ; Acts 10: 44-48)**

FORGIVENESS

'EVERYONE MAKES MISTAKES'

'Do not judge others, and God will not judge you; do not condemn others, and God will not condemn you; forgive others, and God will forgive you! **(Lk 6: 37-39; Lk 15)**

SERVICE

'USE YOUR POWER WELL'

'Who is greater, the one who sits down to eat or the one who serves? The one who sits down, of course. But I am among you as one who serves.' **(Lk 22; Lk 13: 30)**

ATTENTIVENESS

'SEE GOD IN EVERY MOMENT'

'And some seeds fell in good soil; the plants grew and bore grain, a hundred grains each....Listen then, if you have ears!' **(Lk 8: 8; Lk 12: 35-40)**

COURAGE

'STAND UP FOR WHAT IS RIGHT'

'...allow us, your servants, to speak your message with boldness' **(Acts 4: 29)**

LOYALTY

'SPEAK WELL OF OTHERS'

'Every tree is known by the fruit it bears....A good person brings good out of the treasure of good things in his heart; a bad person brings bad out of his treasure of bad things. For the mouth speak what the heart is full of.' **(Lk 6: 44,45; Lk 11: 33-36)**

PERSONAL BEST

'LET YOUR LIGHT SHINE'

'No one after lighting a lamp hides it under a jar, or puts it under a bed, but puts it on a lamp stand, so that those who enter may see the light! **(Lk 8: 16)**

Lost Property

Please ensure all clothing and items are clearly labelled so that they can be returned to the child/family.

Mobile Phones & Smart Watches

At St Luke's School we understand that mobile phones fill a need for some families, especially in relation to the occasional issues that arise with before or after school safety and communication. There are several issues associated with mobile phones at school. These include security, interruptions to class programs, inappropriate use or overuse. Due to these issues, we prefer that students do not bring mobile phones to school.

If, however, you do require your child to have a mobile phone at school the following procedures apply:

1. Your child must keep the mobile phone in his/her locker at all times or it may be handed in to the front office or class teacher where it will be kept securely for the school day.
2. Students who breach this requirement will be subject to our normal Student Behaviour Management consequences.
3. Any phone calls, which students need to make, must be made through the front office. Should you need to get in contact with your child, then this should be done through the front office and the message will be delivered to your child.
4. While loss or damage to a phone is extremely unlikely, it is a possibility, and such loss is not covered by the school's insurance policy.

We hope parents appreciate the stance the school takes on mobile phone use and support the above school procedures.

St Luke's School Song

Words and Music by Ms Fiona Rea

**Saint Luke's Primary
We're one big family
We learn and play together
Through all kinds of weather
We belong to this community
God's magic is in this place
And every shining face
In the birds and the bees
And the flowers and the trees
Because Jesus is in this place**

**Saint Luke's,
Saint Luke's
Saint La la la Luke's**

We're letting our light shine at Saint Luke's

**We use our power for good
Speak well of others like we should
And when we make mistakes
Courage is all it takes
To forgive as Jesus would**

**Saint Luke's,
Saint Luke's
Saint La la la Luke's
We're letting our light shine at Saint Luke's**
