We're Creating a New Space for the Pre-Primary Area! Can you help us out? :)

We're looking for donations of either your time, expertise, or even materials. If you can offer any help we would be delighted!

We need a few things done like:

- Digging up of old areas (removing pavers)
- Cutting down of existing palm trees
- Concreting in of new materials
- Lifting and moving of heavy items

We are also looking for donations that we can use in the new court yards. Do you have any of these things floating around at home?

- Old pots or planters
- Hard wood offcuts
- River Pebbles or Landscaping Rocks
- Anything that you think could be used in a garden for the kids to play with!
